Governing Board Begins Contract Negotiations with Dr. Bryan Reece to Become the Next Chancellor

MARTINEZ, CA – The Contra Costa Community College District (CCCCD) Governing Board held a special public meeting on Tuesday, September 22, 2020, and today is announcing their decision to begin contract negotiations with Dr. Bryan Reece to become the next Chancellor. The goal will be to place the contract for public review and approval at their regular meeting scheduled for Wednesday, October 14, 2020.

The announcement was made following a nationwide search that began in January 2020. The selection process was paused in both March and April due to the transition to remote operations as a result of the pandemic, and was restarted in September. Public forums were held last week for the finalist and a final interview was completed by the Governing Board.

Barrett praised the dedication and work conducted by the Search Committee and Collaborative Brain Trust Senior Consultant Dr. Brice Harris, a longtime California community college educator and Chancellor Emeritus of the California Community Colleges. In addition, the Governing Board acknowledged the hundreds of faculty, classified professionals, managers and community leaders who participated in the public forums and submitted comments to the trustees for consideration prior to their final decision.
