

USE OF COLLEGE FACILITIES

District facilities identified as Civic Centers or as designated public forums are available for community use when such use does not conflict with District programs and operations. Facility use shall be limited to places and times identified by the Chancellor, college Presidents or their designees, but shall be sufficiently frequent and available on specific dates and times, so as to allow meaningful use by outside groups. Except as provided in this procedure, or as authorized by law, no organizations shall be denied the use of District facilities because of the content of the speech to be undertaken during the use.

The Chancellor is responsible for the coordination and implementation of this procedure. The Chancellor or his/her designee shall determine all applicable fees to be charged. Outside the designated public forum areas, the following shall apply: All user groups shall be required to provide the District with a hold harmless and indemnification agreement acknowledging that they will be financially responsible for any losses, damages or injuries incurred by any person as a result of their use of the facilities. All user groups shall also be required to provide a certificate of insurance with limits acceptable to the District and/or other proof of financial responsibility acceptable to the District.

USE UNDER THE CIVIC CENTER ACT

(Education Code Sections 82537 through 82548)

Eligible persons or groups may use District buildings or grounds for public, literary, scientific, recreational, or educational meetings, or for discussion of matters of general or public interest, subject to these rules and regulations.

The groups identified in Education Code Section 82542(a) (see page 9) will be permitted, "when an alternative location is not available," as described in the statute, to use District facilities upon payment only of the following:

- the cost of opening and closing the facilities, if no District employees would otherwise be available to perform that function as part of their normal duties;
- the cost of a District employee's presence during the organization's use of the facilities if it is determined that the supervision is needed, and if that employee would not otherwise be present as part of his/her normal duties;
- the cost of custodial services, if the services are necessary and would not have otherwise been performed as part of the custodian's normal duties; and
- the cost of utilities directly attributable to the organization's use of the facilities.

Except as provided herein, other groups shall be charged an amount not to exceed the direct costs of District facilities. Direct costs shall include costs of supplies, utilities, custodial services, services of any other District employees, and salaries paid District employees necessitated by the organization's use of District facilities. Additionally, except for classroom-based programs that operate after school hours and organizations retained by the college or District to provide instruction or instructional activities to students during school hours, direct costs shall also include the costs for maintenance, repair, restoration and refurbishment of college facilities and grounds used by the group.

The following shall be charged fair rental value for the use of District facilities:

- any church or religious organization for the conduct of religious services, which may be conducted for temporary periods where the church or organization has no suitable meeting place for the conduct of such services

- entertainment or meetings where admission fees are charged or contributions are solicited and the net receipts of the admission fees or contributions are not expended for the welfare of the students of the District or for charitable purposes.

Pursuant to Education Code 82542, the American Red Cross or other public agencies may use District facilities, grounds, and equipment for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare, and the District will cooperate with these agencies in furnishing and maintaining services mutually deemed necessary to meet the needs of the community.

USE OF FACILITIES BY EMPLOYEE ORGANIZATIONS

Employee organizations may distribute organizational literature on District property exclusive of work areas provided there is no interference with District business. No one shall be allowed to distribute materials in a manner which distracts employees while performing their duties. Literature and similar materials may be distributed only in site locations(s) designated by the Chancellor or college President.

Posting of organizational recruiting notices, posters and similar materials will be permitted only on designated bulletin boards or other appropriate areas as determined by the Chancellor or college President. Space and time limitations may be invoked if necessary.

Employee organizations may use designated bulletin boards to announce meetings.

Advance requests for use of District facilities must be made, in accordance with established District procedure, whenever an employee organization wishes to schedule a District facility to conduct organizational meetings and related activities. No rental charge will be made for use of District facilities immediately before or after the work day. After 5:00 p.m., any additional cost to the District for services shall be charged to the employee organization using the facility.

To provide maximum use of college facilities and to minimize the potential for conflict, the following priorities are established:

1. First priority is reserved for the college's educational program and for college events.
